

ATHOL SAVINGS BANK

Important Notice Regarding Office Hours

***Beginning May 11th our Uptown Office
will no longer be open on Saturdays.***

Our last Saturday hours will be held on May 4th. This decision was made due to declining walk-in customer activity, and increasing customer usage of the online services that are available such as online access/transfer ability, bill pay, and mobile deposit.

The Uptown Office hours will remain the same Monday through Friday.

We invite you to visit our new Main Office Service Center located one mile down the street at 388 Main Street. This new state-of-the-art office offers:

- Full service which includes a team of Financial Advisors
- New account openings and loan services
- Drive-Up service
- Self service coin machine
- Internet Café
- Coffee Bar
- And the familiar faces of the Uptown staff

Additionally there is a newly expanded parking lot and the building is handicapped accessible.

Please continue to use our on-site ATM as well as our e-banking services that are available 24 hours a day!
